[00:00:01.38] **Speaker1:** Hi, Cassie. How are you?

[00:00:03.21] **Speaker2:** I'm good. How are you?

[00:00:05.04] **Speaker1:** All [00:00:05.00] right. So tell me about a favorite memory from your childhood.

[00:00:10.36] **Speaker2:** Huh? [00:00:10.00] Well, I went to the fair, right? They have this, like, fair, um, in [00:00:15.00] my city where they just put it up in the empty parking lot. Right? And, like, they set it up. It's all janky [00:00:20.00] [00:00:20.53] 'cause, [00:00:21.22] you know, they set it up in, like, [00:00:22.36] at [00:00:22.45] night. So, like, if you die, you die. But, but [00:00:25.00] it's pretty [00:00:30.00] good. I feel like, uh, there was this one time, you know, like the [00:00:35.00] claw, um, ride the, you know, amusement [00:00:38.59] parks [00:00:38.80] have? They had that one. [00:00:40.00] It looked [00:00:41.02] unstable, [00:00:41.62] but I got on it cause I was like, [00:00:43.30] Imma be [00:00:43.87] brave and [00:00:45.00] that shit. Oh, my God, I was so dizzy afterwards. I was literally crying [00:00:50.00] for my mom when I was on, I was like, [00:00:51.70] mami! [00:00:52.96] I was like, oh my God, I feel like I [00:00:55.00] was gonna die. It was so janky. Oh no, they would have been horrendous. And [00:01:00.00] literally if I puked, the other person would have gotten the puke, cause it was. It was a it's a claw. Oh, [00:01:05.00] God. No. But, um, yeah, it was horrendous. But I feel like that was my [00:01:09.43] favorite [00:01:09.55] memory, cause [00:01:10.00] I like the rush of it afterwards, I was like, should I get on it again? Cause literally, I feel like [00:01:15.00] I just blacked out all the like, [00:01:16.45] mami!, [00:01:17.23] you know, it felt [00:01:18.22] exhili-exhilarating. [00:01:19.69] But [00:01:20.00] yeah, I feel like, yeah, the fair was really a good part of my childhood.

Then [00:01:25.00] it got too expensive. \$50, [00:01:30.00] a wristband for all the rides for a janky [00:01:33.91] fair. [00:01:34.63] Can [00:01:35.00] you believe that?

[00:01:37.12] **Speaker1:** What do you think? Do you think that's your ideal [00:01:40.00] vacation?

[00:01:41.56] **Speaker2:** That?!

[00:01:43.27] **Speaker1:** Yeah. Or like, what [00:01:45.00] do you think your [00:01:47.59] ideal vacation would be? [00:01:47.89]

[00:01:49.20] **Speaker2:** Oh, I [00:01:50.00] would love, uh, a secluded. [00:01:55.00] No, not secluded like a cottage, but not in a forest. [00:02:00.00] A cottage in a city. I want the vibe of [00:02:05.00] a cottage, but I don't want to be alone, you know, in the forest. [00:02:10.00] Cause, yeah. Wolves dead, mountain lions. Dead. Uh, [00:02:15.00] not Oakland. [00:02:17.64] Nah, nah, bruh, [00:02:18.66] that city's not made for a cottage. [00:02:20.00] I'm gonna get jumped. Um, I'd [00:02:25.00] say, um, I really like. I like San [00:02:30.00] Jose. Yeah. It's like, it's like it's a city, [00:02:35.00] but it's not too dangerous, and it's not too [00:02:38.25] suburban [00:02:38.97] if you go to the right places. [00:02:40.00] So I just put it there. I chill on my bed all day. [00:02:45.00] I play on my Nintendo. I'd watch shows, I'd watch.. I [00:02:50.00] just, like, chill, you know? Oh, I bring my cats. Yeah, [00:02:55.00] they wouldn't like it, but I'd bring them. I'd be like, you belong with me and [00:03:00.00] just spend-And my dog, oh, she'd love to. She'd love the couch anyways. [00:03:05.00] Yeah, that's my ideal vacation. Alone time. Yes, exactly. [00:03:10.00]

[00:03:11.10] **Speaker1:** So what does the terms Spanglish mean to you?

[00:03:14.40] **Speaker2:** Spanglish [00:03:15.00] to me means speaking in English or [00:03:20.00] Spanish and just putting a random, like, English or Spanish version in there. So let's [00:03:25.00] say I'm like, oh, you know, I'm talking about like [00:03:27.48] pan, [00:03:28.05] you know. So I don't know, I feel like [00:03:30.00] it's when you forget a word in the other language and you just include it in like Spanish, you know? [00:03:35.00] [00:03:35.52] Yeah. 'Cause, [00:03:36.06] like, sometimes I just, like, talk to you or like, talk to, like, our other [00:03:40.00] friend and, like, I don't know

what to say [00:03:43.65] in [00:03:44.07] like, English and I'm [00:03:45.00] like, oh, you know, [00:03:46.86] corregir. [00:03:47.67] And I'm like, oh, yeah. And they understand me. I feel like, [00:03:50.00] yeah, Spanglish. I feel like kind of-it's not a language. It's [00:03:55.00] like, um, I wouldn't say a community either. More [00:04:00.00] like, I feel like maybe a community, you know, especially with our generation. We [00:04:05.00] use a lot of Spanglish [00:04:07.59] 'cause [00:04:08.40] I feel like, yeah, we [00:04:10.00] were born and raised here. Went to [00:04:12.42] schools-Did [00:04:12.96] you go-did you go to [00:04:14.28] schools [00:04:14.49] with Latinos? I [00:04:15.00] did, so I [00:04:20.00] feel like I, like, talked to them a lot. I just use Spanglish. That was it. I'd [00:04:25.00] be in class Spanglish, and my teachers were white, [00:04:28.17] so. They wouldn't understand [00:04:30.33] [00:04:30.00] and they'd be like, oh, um, what did you say? And I was like, oh shit. Hahaha. [00:04:35.00] It got out. You know, I'd be one of those girls. But [00:04:40.00] yeah, I feel like it's like a culture, you know, [00:04:45.00] it-um, you know, you just talk whatever people. You're gonna assume people understand [00:04:50.00] you because you know that they speak both languages and they understand the context of your words and the phrases. [00:04:55.00] Mhm. [00:05:00.00]

[00:05:00.00] **Speaker1:** So when and where do you feel most comfortable?

[00:05:03.09] **Speaker2:** Oh, my bed.

[00:05:04.05] **Speaker1:** Your bed?

[00:05:04.98] **Speaker2:** At [00:05:05.00] home with my cats. Yes I have-That's when I'm at my [00:05:10.00] peak. I love hanging out with them. I love, you know, wanting their attention. [00:05:15.00] I feel like I'm the cat just going after them. Well, cats don't do that, but [00:05:20.00] [00:05:21.03] kinda if [00:05:22.11] they're desperate enough. But I feel like I just. I love them so much. [00:05:25.00] I love playing with my dog. I just love my pets, you know? That's like. What [00:05:30.00] was the question? I was rambling on about..

[00:05:34.79] **Speaker1:** [...] you [00:05:35.00] feel most comfortable?

[00:05:35.87] **Speaker2:** Yeah. Yeah. It's just they don't-they don't bring drama.
[00:05:40.00] They're just about themselves. Yeah. And they're so soft and they're so,
like, lovable. [00:05:45.00] Uh, so I'm just like. Oh. Especially my cat, [00:05:48.59]
Canela. [00:05:49.10] She's so fat. [00:05:50.00] So she's so [00:05:50.72] fun to hold.
[00:05:51.92] She's so heavy, [00:05:53.12] bruh. [00:05:53.45] She's [00:05:53.99] 15
pounds. [00:05:55.28] [00:05:55.00] We are trying to put her on a diet, and this bitch just
gets out of the room and, like, goes, eats [00:06:00.00] other bowls, she eats other cats
bowls. And I'm like, [00:06:03.92] bro bruh, [00:06:04.46] we need-She [00:06:05.00]
doesn't understand. She just loves food so much. She's just like me. But [00:06:10.00]
no. Yeah, I love her. Chubby. I have two calicos. Those are my two favorites.
[00:06:15.00] Yeah, they're so nice. I know, the other one.. There's [00:06:18.92]
Canela the [00:06:19.19] fat one and then [00:06:20.00] there's [00:06:20.21] Miel,
[00:06:20.54] her daughter. The skinny one. Yeah, I don't [00:06:24.23] know. Miel
[00:06:24.41], she [00:06:25.00] likes to give love and then just fucking just jump around
all over the place. [00:06:30.00] That's where I feel most at peace. Yeah. No,
[00:06:33.35] bruh [00:06:33.53] when I was like, raising Canela and [00:06:34.94]
Tigresa, [00:06:35.48] [00:06:35.00] cause I got them when they were babies, I literally,
I bottle fed them, like, every two hours cause [00:06:40.00] they were so small. I felt like
an actual [00:06:43.10] mother bruh. I [00:06:43.70] had eye bags. [00:06:45.00] This
was during the pandemic, so I had time, right? But it was horrendous. I was
[00:06:50.00] like, up at night, I like I put them in like their little [00:06:52.76] camita
[00:06:53.27] on the floor, right? Put a blanket over [00:06:55.00] it cause kittens have
to like be at a certain temperature if not, they die. So I kept [00:07:00.00] in there and
[00:07:00.92] Canela [00:07:01.28] would, like, escape out of the freaking [00:07:04.13]
camita. [00:07:05.15] [00:07:05.00] And then [00:07:05.87] she'd [00:07:06.02] just, like,
walk around and I'd be mortified cause [00:07:09.29] our [00:07:09.47] room was, like,
[00:07:10.00] kind of messy, so, like, if she, like, went somewhere, it could, like, tip over
and like, bye [00:07:15.00] bye, [00:07:15.59] Canela. [00:07:16.16] So I'd be, like, up
for nights just watching her and be [00:07:20.00] [00:07:20.00] like, Canela
[00:07:20.21] please go to sleep. So [00:07:21.47] I'd like, [00:07:21.77] rock her in my
like, arms or like put [00:07:24.26] her aqui [00:07:24.62] and- [00:07:28.67] 'cause
[00:07:28.94] [00:07:25.00] it'd be warm. And [00:07:30.00] I would be like,
[00:07:31.01] cuddling her [00:07:31.70] and [00:07:33.14] she'd go [00:07:33.56] to
sleep and I put her down [00:07:35.00] like an actual baby. Oh, I miss those days, but I
[00:07:39.65] literally, I was- [00:07:40.16] [00:07:40.00] that's when I realized I

[00:07:41.33] didn't want-I [00:07:42.02] did not want children. No, no, no. Imagine [00:07:45.00] actual children [00:07:46.43] cr-scream [00:07:46.82] and cry and wake you up. [00:07:49.37] I-no, [00:07:50.57] [00:07:50.00] but yeah, that's where I feel at peace.

[00:07:55.61] **Speaker1:** Um, [00:07:55.00] what's your favorite time of the year?

[00:07:58.37] **Speaker2:** Oh, my birthday. I'm just [00:08:00.00] kidding no, no. Uh I [00:08:03.68] mean-Nah bruh, [00:08:04.70] it's so [00:08:05.00] sad. So gloomy on my birthday, I know. Yeah, you feel the same, too. You're like. [00:08:10.00]

[00:08:10.19] **Speaker1:** It's winter cold.

[00:08:11.24] **Speaker2:** Exactly. No one wants to be like, let's celebrate your birthday. Like, [00:08:15.00] no, we can... Happy birthday! [00:08:18.62] Texts [00:08:19.28] you [00:08:19.55] a little, [00:08:19.85] like, [00:08:20.00] cake emoji. Um, but I feel like my favorite time of the year is Christmas. You know? Naturally. [00:08:25.00] Uh, I just see my family. I get gifts, I don't know, [00:08:30.00] lately I've just been asking for money. You know, it's tough out here, but, uh. Yeah, [00:08:35.00] we don't even put up a tree anymore [00:08:36.92] 'cause we [00:08:37.25] have cats. [00:08:38.21] 'Cause [00:08:39.02] they can't eat [00:08:40.00] the tree, [00:08:40.67] 'cause [00:08:40.97] it's toxic for them. Or they'll just jump on it and, like, bring [00:08:45.00] it down. And that's what they did last year. That was the last year. [00:08:50.00] They were like, no more. And I told them to get a plastic tree, my [00:08:55.00] parents, they don't [00:08:55.88] wanna. [00:08:56.36] They're like, that's not even real Christmas. And I was like, okay, whatever. But [00:09:00.00] it's still my favorite time of the year. I like [00:09:03.02] pupusas, pupusas, [00:09:05.00] con repollo. [00:09:06.62] I'm sorry, with fermented cabbage. [00:09:10.00] That shit's so good. And like my [00:09:15.00] mom, she, like, smacks my hand whenever I eat with, like, a fork cause you're not supposed to eat pupusas with a fork. It's [00:09:20.00] [00:09:20.21] like com-with [00:09:20.87] your hands just. Ahm yum yum yum yum. But that shit's so delicious. My [00:09:24.80] tía [00:09:25.10] [00:09:25.00] makes like, like, vegetable [00:09:27.47] empanadas. [00:09:28.58] Uh, [00:09:30.00] literally, they're so nice. They're [00:09:33.74] kinda greasy, [00:09:34.34] I'm not [00:09:34.55] gonna [00:09:34.70] lie but [00:09:35.00] they're so good. She makes [00:09:36.11] arroz con leche. [00:09:36.95] My stepdad

makes [00:09:38.45] tamales. [00:09:39.20] One time [00:09:40.00] they came out [00:09:40.49] hella burnt. But we st-yeah, [00:09:42.35] I was like, I don't know about this. Uh, [00:09:45.00] [00:09:47.51] aight let [00:09:47.66] me get those [00:09:48.08] pupusas. [00:09:48.74] No, but, yeah, I [00:09:50.00] feel like it's [00:09:50.78] 'cause [00:09:50.99] of the food. Yeah, I love seeing-I love giving gifts. I love seeing people's faces when [00:09:55.00] they open my gift, I'm like, oh my God, did you like it? And they're like, yeah. And I'm like, I, of course I [00:10:00.00] thought of you, I know you. Yeah. So love Christmas. Mhm.

[00:10:06.47] **Speaker1:** How [00:10:05.00] did you learn English?

[00:10:08.63] **Speaker2:** So.. I'm [00:10:10.00] just kidding. Uh, in preschool, um, I was there for [00:10:15.00] two years. They did not let me move on because I have a late birthday [00:10:18.32] 'cause it's [00:10:18.98] in January. And [00:10:20.00] so they were like, okay, we're just gonna keep you here [00:10:22.64] 'cause I [00:10:22.88] think I came in at four [00:10:25.00] years old for preschool, which makes sense. You know, kindergarten, you start at six. But [00:10:30.00] I low key started kind of late. It's okay. Whatever. Um, but yeah, that's when I learned English. [00:10:35.00] The teachers there were bilingual, so they were just they would, like, talk to us [00:10:40.00] in Spanish first because they knew, you know, our parents don't speak any English. Right. [00:10:45.00] Is it? Um, but yeah. Um, so they [00:10:50.00] would, like, teach us the alphabet in, uh, English, and we'd be like, oh, okay. [00:10:55.00] You know, I feel like I remember, like, I kind of understood it at first, but the name [00:11:00.00] really got me, like, practicing your name. They, like, tell me the letters in English. And [00:11:05.00] I'd be like, uh. I'm like, what are you talking about? And [00:11:09.89] then they tell [00:11:10.25] [00:11:10.00] you in Spanish, and I'd be like, I don't know the alphabet, [00:11:12.35] bruh. [00:11:12.65] What are you talking about? So they just like, I don't know, [00:11:15.00] they have, like, you know, how like they have the example of your name. Like, my name was so horrible, [00:11:19.88] bruh. [00:11:20.12] [00:11:20.00] It looked like chicken scratch. Horrendous. But, you know, preschooler times. But that's when I learned [00:11:25.00] English. You know, from then on I, you know, I remember I became the best reader out of [00:11:30.00] my class and I was like, yes, yeah, no, [00:11:33.17] bruh, [00:11:33.38] I-in preschool, I brought these [00:11:35.00] toys, these-this Mickey Mouse and Minnie Mouse. It was like a pair. And they were like [00:11:40.00] getting married [00:11:40.85] type 'cause I

[00:11:42.59] was like, oh my God, I'm gonna bring it to my friend because she likes them, [00:11:45.00] you [00:11:45.41] know, and we're gonna [00:11:45.83] play together. And then the teacher took them away from me and [00:11:50.00] they were so cute. Literally, she took away Mickey, Minnie Mouse, she put them on top of the fridge. I can't [00:11:54.68] reach [00:11:54.83] because [00:11:55.00] I'm a fucking preschooler. Right? And she was like, I'll give them back to you at the end of the day. [00:11:59.00] And then [00:11:59.45] she didn't. I was [00:12:00.00] too shy to ask for them back, and [00:12:02.03] I-I never [00:12:02.60] got them back right. The next day they weren't even on top of there. And I [00:12:05.00] was like, okay, um, I was like, okay, fine. No, those teachers [00:12:10.00] were menaces. Yeah. Um, [00:12:15.00] well, they still don't know. [00:12:18.43] They know like [00:12:21.43] [00:12:20.00] a few phrases. [00:12:22.78] Nah, remember [00:12:24.19] our lease signing... [00:12:25.00] In the back? That's [00:12:27.34] why [...] [00:12:27.43] they don't. They didn't understand. That's why they left it all to [00:12:30.00] me. But, yeah, they they didn't know. I just go back home and speak Spanish. [00:12:35.00] I like, uh, as time went on, I like, spoke more English words to them [00:12:40.00] and they kind of understand in context because I say Spanish. English just [00:12:44.35] Spanglish [00:12:44.44] basically. [00:12:45.00] Middle school was like peak Spanglish. And they'd be like, okay [00:12:48.61] mija... nice.. And [00:12:50.59] [00:12:50.00] they'd be like, [00:12:50.86] no mas español. [00:12:51.67] They got tired of it real quick. And I was like, okay. [00:12:55.00] And I feel like that kind of helped me, you know, make my Spanish better because [00:13:00.00] I feel like if I kept speaking Spanglish to them, I would have been a [00:13:04.27] no sabo kid. [00:13:05.11] [00:13:05.00] Yes, I would have been like, what? Yeah, but yeah, [00:13:10.00] they'll learn one day.

[00:13:13.62] **Speaker1:** Okay, so what's the last [00:13:15.00] book you read? And did you like it?

[00:13:18.18] **Speaker2:** Damn. [00:13:21.75] Frick. [00:13:22.32] [00:13:20.00] Let me think about this. Okay. So last [00:13:25.00] year..

[00:13:26.01] **Speaker1:** It could be like a picture book or something.

[00:13:28.05] **Speaker2:** Picture book? [00:13:29.28] A ch- [00:13:29.79]Wow. [00:13:30.00] You think I can't read? Yeah, [00:13:35.00] yeah, yeah, you might as well

tell me to go back to elementary school at this point. No. Okay. [00:13:40.00] Let's see. Um, I read-I [00:13:45.00] read this-wha-What did I read? [00:13:49.26] I [...]. [00:13:49.68] Oh, [00:13:50.00] my God, um, I...oh, [00:13:55.00] this webtoon, I read this webtoon. It was a, [00:14:00.00] um, very romantic webtoon. Um, yeah, it was about this, [00:14:05.00] like, um, like it's like magic, uh, [00:14:10.00] school girl person that, like, went up [00:14:15.00] to the tower to the Dragon Queen, and then she would like, [00:14:20.00] instead of slaying her, she would try to, like, um, make her-make [00:14:25.00] the Dragon Queen fall for her. Yeah. And, like, every time. And [00:14:29.25] the-then [00:14:29.37] this world, [00:14:30.00] they, like, revive after they die. If they have enough money. So [00:14:35.00] every time [00:14:36.66] she'd try to, [00:14:37.17] like, you know, woo the Queen. The queen [00:14:40.00] would, like, be like, what the hell? And kill her. And her friend would have to buy her her [00:14:45.00] new life. He's so funny. But that was like the whole plot until, like, they fell in love [00:14:50.00] and then they went to fight a war together. And [00:14:55.00] it's so cute. It's so cute. It's so funny too. But yeah, that's the last [00:15:00.00] one I read. And then I read this one about vampire. It's also a webtoon. [00:15:05.00] Vampires versus witches. It was. It's it-it's good. It's it's also romantic. [00:15:10.00] It's like this witch falls in love with this vampire that he-she accidentally turned into a cat [00:15:15.00] at first and like, she tries to reverse the, um, [00:15:20.00] the magic back [00:15:21.87] 'cause [00:15:22.44] she didn't mean it. She was like, oh my God, I'm so sorry. The vampire was like, [00:15:25.00] what the fuck? And the vampire actually, like, notices that the witches are good people. [00:15:30.00] And he's like, oh, maybe they didn't put a curse on us, you know, [00:15:34.08] 'cause the [00:15:34.59] vampires are [00:15:35.00] accusing the witches, that specific family of witches, that they put a curse on the vampires to, like, [00:15:40.00] die a horrible death, you know? And so he was like, oh, my God, maybe she didn't do it, you [00:15:45.00] know, obviously not, cause she's like, fucking, I don't know, 18, 17. Um, but [00:15:50.00] yeah. And then I stopped reading there [00:15:52.56] 'cause I [00:15:53.28] didn't want to buy the next episode. [00:15:55.00] Yeah. Um, I don't want to fucking sp-I don't [00:16:00.00] want the [00:16:00.87] fast [00:16:01.08] episode [00:16:02.43] 'cause [00:16:02.73] I don't have money...its five coins, [00:16:05.00] I have one. Yeah. Mhm. Exactly.

[00:16:10.23] **Speaker1:** So [00:16:10.00] what's your-what is the ideal way to start [00:16:13.77] your day and [00:16:13.92] why?

[00:16:16.35] **Speaker2:** I [00:16:15.00] feel like, you know. My ideal day [00:16:20.00] starting would be, um, waking up 11 [00:16:25.00] a.m., you know, rise and shine early, then, [00:16:30.00] you know, lay down for a bit, you know, look at TikTok, you know, [00:16:35.00] no worry in the world. Pop, pop pop. Then, you know, go have breakfast [00:16:40.00] on the table just magically appear. Because I hate to cook. I don't like cooking. It's [00:16:45.00] so much effort and a waste of dishes. Mhm. So I want breakfast magically on the table, you [00:16:50.00] know, little like [00:16:52.11] jugo, juice [00:16:52.86] and water right there, you know, eat [00:16:55.00] that shit up right then go on the couch, watch movies. [00:17:00.00] But then I don't know, the couch [00:17:03.87] it starts [00:17:04.11] hurting at some point, you [00:17:05.00] know. So I have to get up. So, you know, ride my bike around the neighborhood, get that exercise and [00:17:10.00] then come back lunch on the table magically. Yes. [00:17:15.00] You know what? Lunch is a [00:17:17.49] burger. [00:17:17.88] You know, I wish [00:17:20.00] I could eat and not get calories. Ah, anyways. But yeah, burger [00:17:25.00] [00:17:25.44] con mi juguito.. [00:17:25.77] Ah, damn. Yeah, my day would end [00:17:30.00] at 12.

[00:17:32.52] **Speaker1:** Midnight?

[00:17:32.97] **Speaker2:** Yeah midnight. Yeah. You know, [00:17:35.00] really, just 11 hour day. Wow. For [00:17:40.00] real. The [00:17:42.54] sleeping in part is what really [00:17:43.56] gets me. Oh my god. But yeah. [00:17:45.00] Mhm. Oh. And it has to be gloomy.

[00:17:48.03] **Speaker1:** A gloomy day?

[00:17:48.84] **Speaker2:** Yeah [00:17:49.20] bro. 'Cause [00:17:49.77] then I have [00:17:50.00] a excuse to stay inside.

[00:17:55.20] **Speaker1:** It's [00:17:55.00] very interesting. Yeah. Do [00:18:00.00] you think of the United States as a Spanish speaking country. Why [00:18:05.00] or why not?

[00:18:05.85] **Speaker2:** I don't think it's a Spanish speaking country. Mostly [00:18:08.58] 'cause [00:18:08.79] of the Midwest. [00:18:10.00] The Midwest, Mid-

America. I don't think there's like many Hispanic communities [00:18:15.00] in there speaking Spanish. You know, I feel like they've assimilated [00:18:20.00] if there are Hispanic communities into speaking English only just [00:18:23.34] 'cause [00:18:23.64] I feel like there's just [00:18:25.00] majority white people. Yeah, [00:18:27.36] 'cause if-'cause [00:18:28.14] this country, um, I feel like [00:18:30.00] the more populated areas do have Spanish speaking communities, you know, like a [00:18:35.00] big, like concentration of [00:18:36.24] Latino [00:18:36.63] people, but mid America, no. I feel [00:18:40.00] like it's pretty empty in there. Yeah. Like New York, LA [00:18:45.00] or basically. Yeah, LA, San Francisco, you know, [00:18:50.00] the Bay, New York, you know, just the big cities. [00:18:55.00] I feel like those are the only ones with like diverse populations. Once you go like [00:19:00.00] more in the middle, you start seeing less and less of that. And that's where you find more of the [00:19:04.35] racists....typically. [00:19:07.89] [00:19:05.00] So no, I don't feel like it's a Spanish speaking [00:19:10.00] country, more like English and then other languages. But it's kind of fun that we [00:19:15.00] don't have an official language. So, you know, just so people don't feel forced to [00:19:20.00] be like English only or like, you know, to feel like or like immigrants that come here, [00:19:25.00] don't feel forced to like, learn English, but they kind of do at the same time. But they're not obligated, [00:19:30.00] you know, unless they want to survive, you know.

[00:19:35.79] **Speaker1:** [00:19:35.94]What's an obstacle [00:19:35.00] that you've had to overcome?

[00:19:38.73] **Speaker2:** Hmm. Damn. [00:19:40.00]An obstacle. Pretty easy life, I'm just kidding. Um. [00:19:45.00] I'd say. [00:19:50.00] Oh, damn. Um. [00:19:55.00] Oh. Procrastination. [00:20:00.00] That is an obstacle I still have to overcome, but I've overcome [00:20:05.00] it before. I'll tell you how I did it. I woke up early, [00:20:10.59] got-Well I [00:20:11.04] [00:20:10.00] mean, I kind of had to [00:20:12.21] 'cause, [00:20:12.72] you know, it was high school, 6 a.m., [00:20:15.00] start of school, 8:15. And my dad had to like, go to work at eight. [00:20:20.00] So I had to drop us off at like seven, so I. Either way, if I didn't do my homework the night before, [00:20:25.00] I'd do it early in the morning. But I didn't have time early in the morning cause [00:20:29.16] I'd [00:20:29.31] have to get ready, [00:20:30.00] eat, you know, make sure like [00:20:33.12] the c- like [00:20:34.23] my dog eats [00:20:35.00] because I had the duty of feeding her. Um, so I was so busy, so literally, I feel like [00:20:40.00] knowing that I

wouldn't be able to do my homework any other time than after school, I'd like, you [00:20:45.00] know, do it, and I wouldn't procrastinate. But then the pandemic hit and I was like, oh, I [00:20:50.00] don't have to go anywhere. Oh, I feel like I need that pressure of like, oh, [00:20:55.00] if you don't do it now, you won't be able to do it ever. And that's why college been so [00:21:00.00] hard, [00:21:00.63] 'cause [00:21:01.23] I can do it whenever. But like, I should do it now. [00:21:05.00] Uh, I know. I just feel like I don't want to do work. I [00:21:10.00] just want an easy life. I know, yeah. Uh, [00:21:15.00] effort. It's so much effort. I like doing my homework. I like the classes I'm in. It's just, uh, it's [00:21:20.00] a lot of reading, a lot of concentration. I have to literally put time. [00:21:25.00] I have to, like, strain my eyes. I'd be like, okay. Yeah, I have to read now. Horrendous. But yeah, I'll overcome [00:21:30.00] it one day. Mhm.

[00:21:32.46] **Speaker1:** What's something unique about you that sets you aside [00:21:35.00] from most people?

[00:21:37.28] **Speaker2:** Um, I feel like I have [00:21:40.00] a [00:21:40.52] go then think [00:21:41.48] about it mentality sometimes, you know, [00:21:45.29] 'cause, [00:21:45.80] [00:21:45.00] like, I, um, well, lately, cause I don't know, life is too short. You just [00:21:50.00] have to, like, do stuff before, you know, you're like, oh, shit. I didn't think about that. [00:21:55.00] You know, just to, like, live experiences. Um, I don't feel like that's unique. I [00:22:00.00] feel like most of the fucking our generation is like. Yeah. Um. [00:22:05.00] Let's see. Um. [00:22:10.00] I have eight cats. That's what you need. I'm a early cat lady. [00:22:15.00] Starting. Oh, God. [00:22:20.00] I'm starting my cat career early. You know, you really got to prioritize your future. [00:22:25.00] They live 20 years, bro. Literally-Yeah, [00:22:30.00] there's one that [00:22:30.65] lived, [00:22:30.83] like, 30. So you got a companion for, like, half your life? Kinda. [00:22:35.00] Yeah. I know [00:22:39.32] bruh Imma be 40 [00:22:40.45] [00:22:40.00] or 30 something when they fucking die. Midlife crisis. [00:22:45.00] Thank [00:22:50.00] you. Uh, but, yeah.

[00:22:53.32] **Speaker1:** If you were forced to live the [00:22:55.00] rest of your life speaking only English. What consequences would you [00:23:00.00] foresee?

[00:23:00.93] **Speaker2:** I....

[00:23:01.77] **Speaker1:** [00:23:02.16][...]for only Spanish?

[00:23:03.36] **Speaker2:** I would not be able to speak with [00:23:05.00] my family if it was only English. They like.. I don't know, they'd have to [00:23:10.00] like put my brother in, like pull him in and be like, what'd [00:23:12.42] she [00:23:12.57] say? And then he'd be like, la la la. I feel [00:23:15.00] like [00:23:15.27] our, ah-our relationship [00:23:16.59] would definitely just break apart [00:23:18.09] 'cause [00:23:18.30] I'd only be speaking English. Like [00:23:20.00] they'd be like, oh, yeah, you know, [00:23:21.78] mija, [00:23:22.11] I still love you. And they'd be like, oh, but we can't talk about [00:23:25.00] you with anything. No more [00:23:26.22] chisme no [00:23:27.33] more nothing. No more like, oh, yeah, [00:23:30.00] you know, do this for us. Or they would still do that, but, like, it'd be really hard [00:23:34.71] 'cause [00:23:35.16] [00:23:35.00] they don't know English other than my siblings. [00:23:38.28] So-or my [00:23:39.72] grandpa, [00:23:40.00] he doesn't know any, any English. So he'd be like, what the fuck are you talking about? Oh [00:23:45.00] yeah. I wouldn't have good communication with, uh, any of my family [00:23:49.80] 'cause [00:23:50.25] [00:23:50.00] they're all back in their country, so they don't know. They don't know English. Or at least I think they don't [00:23:55.00] know English. Yeah. Um, but, yeah, but for only Spanish, I [00:24:00.00] wouldn't be able. Well, I would be able to do one of my classes here, but I [00:24:05.00] wouldn't be able to friggin participate in the other ones, [00:24:09.48] 'cause [00:24:10.20] [00:24:10.00] then they'll be like, what the hell? Cause the rest of the classes here are just in English, you [00:24:15.00] know. I type something or like, say something in Spanish and they're like, [00:24:18.48] ay [00:24:18.69] yo, what the fuck? I probably [00:24:20.00] have to use Google Translate. And that's annoying as hell [00:24:22.89] 'cause sometimes [00:24:23.37] it's not accurate at all. Would [00:24:25.00] I be able to understand English if I only spoke Spanish? Well, [00:24:30.00] if I did understand, I could like...I [00:24:35.00] could correct it if I. Oh, wait. [00:24:39.30] Only sp-Okay s-Yeah. [00:24:42.54] [00:24:40.00] Damn. I'm just gonna carry like Google Translate [00:24:45.00] on my phone. Have it speak for me when I type English. Just la la la la la. [00:24:50.00] Yeah, I probably do that, but it'd be. It'd be bad [00:24:52.44] 'cause I [00:24:52.74] feel like I need both languages, especially here in California, [00:24:55.00] where there's a lot of Spanish speaking people who like, you know, wanna, like, sell you something [00:25:00.00] or like, you know, need help with something and you can't, like, help them if you only speak English. [00:25:04.47] Bruh, [00:25:04.74] I hate [00:25:05.00] people that know

Spanish and you know, they know Spanish, and they have the fucking [00:25:09.36] nopal in [00:25:09.87] their [00:25:10.00] fucking [00:25:10.29] frente and [00:25:11.46] they don't speak Spanish to you. They're like, oh, sorry, [00:25:14.97] I don't know..Spanish. [00:25:15.00]Bruh. [00:25:17.53] This happened to me once and my parents, [00:25:20.00] they try to ask for help, right? And she was like, no, I don't I'm sorry, I don't I don't speak Spanish. And [00:25:25.00] they were like, okay. And they brought me over to translate. Right. And then as we were walking away, I heard her talking to her [00:25:30.00] coworker in Spanish and I was like, bitch. I was like, okay. I [00:25:35.00] guess [00:25:35.38] you [00:25:35.47] didn't want to help. I don't know, I feel like there's a sort of entitlement [00:25:40.00] with some people, you know, like when, like people who immigrate here sometimes [00:25:45.00] and they get their like, citizenship. They like, they're like, oh, [00:25:49.57] ew, [00:25:49.93] you [00:25:50.00] know, Spanish and they just talk English, you know, [00:25:55.00] uh, I don't know, I feel like. Here, sometimes when they have [00:26:00.00] that, when those people have that type of mentality, they just [00:26:02.49] wanna like [00:26:02.82] move away from that because they don't [00:26:04.11] wanna go [00:26:04.44] to their [00:26:05.01] humilde [00:26:05.00] life [00:26:05.88] back [00:26:06.33] in [00:26:06.42] their like their country. They [00:26:07.74] wanna [00:26:07.89] to be like all luxury and stuff, when actually [00:26:10.00] those languages could really help you out, [00:26:12.12] bruh and hella [00:26:13.08] fucking jobs and [00:26:13.77] hella off-opportunities. [00:26:15.39] [00:26:15.00] I feel like going on a tangent, but yeah. I hate those [00:26:20.00] people. So so entitled.

[00:26:21.99] **Speaker1:** So you think it's important to pass down the language?

[00:26:24.51] **Speaker2:** Oh, yes, [00:26:25.00] bruh, if I have children...I [00:26:30.00] would be like, I, I think I would speak to them mostly in Spanish, cause they're gonna [00:26:35.00] go to school and they're going to speak English, you know? So I want them to be like, you know, to have those languages [00:26:40.00] and not be no [00:26:41.28] sabo kids cause [00:26:41.94] I'd hate if my kids were [00:26:44.31] no sabo [00:26:44.73]kids. [00:26:45.00] Oh, my God, bro, I'd be so embarrassed in myself, I'd be like, why? [00:26:50.00] [00:26:50.28] When [00:26:50.46] did I do this to you? You know, or just send them to a dual enrollment like school, you [00:26:55.00] know, dual language school. Just have them do that.

[00:27:00.92] **Speaker1:** Are [00:27:00.00] there any foods you really dislike and if so, why?

[00:27:04.94] **Speaker2:** Celery. I [00:27:05.00] hate celery. I tried celery one time [00:27:10.00] in elementary school, right? I was like, let me try to be healthy and get some carrots on the side [00:27:15.00] too with like ranch. That ranch was disgusting, by the way. Oh, but anyways, [00:27:20.00] moving on. Celery was the worst, bro. Oh my God. It was like so bitter [00:27:25.00] and like, I don't know, it was it was crunchy, but [00:27:30.00] it just felt like I was eating grass. It was so disgusting. I was like, what [00:27:35.00] the fuck? I literally I grabbed like five pieces because I was like, let me try to be healthy [00:27:40.00] with like a sloppy Joe on the side. Right? So I was [00:27:45.00] like, hell no, let me balance it out. [00:27:47.81] That shit [00:27:48.14] was disgusting, [00:27:48.86] bruh. [00:27:49.10] I literally I threw [00:27:50.00] that shit away. I got up and I was like, it-the worst thing ever, bro. I tried it again. [00:27:55.00] Like.. in... Last year with my roommates. Um, it's [00:28:00.00] so bad, bro. [00:28:01.85] It tastes [00:28:02.12] like straight up grass. It's literally like I'm eating-It [00:28:05.00] feels like I'm a [00:28:06.53] cow bruh [00:28:07.40] just fucking biting on that shit. It's so hard [00:28:10.00] [00:28:10.25] 'cause [00:28:10.55] you know how like, it, like strings away. I hate when it does that because [00:28:15.00] sometimes it just gets [00:28:15.74] stuck [00:28:15.98] in my-It gets stuck in my teeth. It's horrendous. I hate celery, it's the [00:28:20.00] worst thing ever grown ever fucking discovered. I feel like it should be obliterated. [00:28:25.00] Yeah. [00:28:27.16] Uh, uh. [00:28:27.61] It's disgusting. Oh, [00:28:30.00] my God, do you like celery? See? Exactly. But I despise [00:28:35.00] it. I see celery on your plate. I will, I won't. Yes, [00:28:40.00] it's so [00:28:42.46] bad bruh, [00:28:43.03] I don't know, I feel [00:28:45.00] like not many people like kombucha. Awesome. [00:28:50.00] You know, you have kombucha. Kombucha? You tried it today. [00:28:55.00] Kombucha? Yeah. The fermented drink [00:29:00.00] bacteria. I-a lot of people don't like it [00:29:03.85] 'cause it's [00:29:04.27] like, hella sour [00:29:05.00] and like, hella, like vinegary. But I love it, [00:29:07.69] bruh. [00:29:07.93] Oh my God, it's so good. [00:29:10.00] I feel like it's healthy ish. It has a lot of sugar, I'm not gonna lie. But [00:29:15.00] it's so good. But yeah. Celery. Never again. Yes. [00:29:20.00]

[00:29:21.77] **Speaker1:** [00:29:21.77]Who or what are you most [00:29:22.79] proud of? [00:29:22.97]

[00:29:24.45] **Speaker2:** Ah, I'm [00:29:25.00] proud of me. [00:29:28.23] No I'm just kidding. No.. [00:29:29.22] I'm [00:29:30.00] proud of my siblings. They really come so far. My brother, [00:29:35.00] he used to, like, not do his work at [00:29:37.92] all in like [00:29:39.57] elementary [00:29:40.00] school, [00:29:40.95] I'd how to like [00:29:41.64] force him and, like, watch him to, like, do his homework. But now [00:29:45.00] he's a mechanical engineer major. He's, like, doing his homework. [00:29:50.00] He's like doing his, like, labs. Uh, and he's come so far, Literally today [00:29:55.00] he asked me for \$20 and I was like, okay, whatever. But but [00:30:00.00] he was like, I help you out, you help me out. And I was like, okay, [00:30:02.13] bruh, [00:30:02.49] then you're gonna pay me back Friday. And he's like, yeah, whatever. And I'm like, [00:30:05.00] okay, bitch. And I'm proud of my sister. You know, she doesn't like to read, but she reads her fanfictions [00:30:10.00] at least she's reading something, you know? Yeah. It's literature. She's, she's [00:30:15.00] getting that vocab in. But yeah, I'm really. Yeah, she's really come [00:30:20.00] a long way. She used to cry a lot. So much bro. I [00:30:25.00] don't understand why. But now I feel like she's realized she doesn't, she doesn't need to cry [00:30:30.00] if we don't give her the things she wants. She's not [00:30:32.82] as spoiled [00:30:33.33] anymore. We're, we're happy for [00:30:35.00] her growth. Yes.

[00:30:39.42] **Speaker1:** If you are going [00:30:40.00] to spend time with someone that knows both English and Spanish, how do you determine how much English [00:30:45.00] language you'll use with them?

[00:30:47.64] **Speaker2:** I usually-it depends. [00:30:50.00] If I hear a slight accent in their Spanish automatically [00:30:55.00] English, English, mostly [00:30:58.14] bruh 'cause [00:30:58.53] I'm just like, oh. Even [00:31:00.00] though my Spanish is not that great, I'm just like, um, no. I'm like, no, [00:31:05.00] no, no. [00:31:05.46] 'Cause then [00:31:05.76] sometimes I feel like-it's not like judging their Spanish. I'm just like, I don't know, [00:31:10.00] I just go into that mode. I'm just like, oh, English, you know, [00:31:12.60] 'cause [00:31:12.96] I don't want to like, you know, use other [00:31:15.00] words and they might not understand, you know, same with like, uh, if their Spanish [00:31:20.00] sounds better, I'll just use more Spanish. I obviously [00:31:23.91] sound [00:31:24.06] worse in comparison [00:31:25.00] to them, but I feel like I don't know if it's like the accent type thing, if I [00:31:30.00] hear it more, if they're like, if I hear like,

they're more like fluent [00:31:35.00] or like native [00:31:37.08] kinda, [00:31:37.59] I don't know, in another language, I'll use that language [00:31:40.00] more with them. Uh, but yeah. Um, then throughout [00:31:45.00] the conversation, I feel like I'll like slowly go into Spanglish at the end [00:31:48.84] 'cause [00:31:49.26] it doesn't matter anymore. [00:31:50.00] Yeah.

[00:31:53.04] **Speaker1:** How important are unimportant, you [00:31:54.78] think fashion is? [00:31:54.90]

[00:31:55.89] **Speaker2:** I [00:31:55.00] feel like it's very important. People are fucking in [00:32:00.00] school with fits that serve. And then I come on with, like, jeans [00:32:05.00] and a shirt and I'm like, okay, I guess, you know, like, I feel like they... [00:32:10.00] Yeah, it's like more like a one upping type game, [00:32:15.00] you know? Who's the most obscure? Yeah, it's like a runway show. [00:32:20.00] Like I see people get on the bus, right? I'm like, damn, bro, you got on the bus with that. [00:32:25.00] You know, like, you look so good in this sweaty [00:32:27.72] ass sardine [00:32:28.20] can, like. Yeah, [00:32:30.00] horrendous. But yeah, I feel like it is like a runway world now. You know, [00:32:35.00] a lot of people care about what they look, you know, they're really all about, like, representing themselves in fashion [00:32:40.00] and and [00:32:41.10] yeah basically [00:32:41.85] what they wear. So they just-Yeah, especially [00:32:45.00] this generation, they don't really care what other people think of them. So just throw on whatever.

[00:32:50.01] **Speaker1:** That's [00:32:50.00] good.

[00:32:51.27] **Speaker2:** Um, it's a it's a double edged sword because [00:32:55.00] sometimes we do need a good critique or two, you know, and us not [00:32:59.64] caring is [00:33:00.18] [00:33:00.00] not really helping [00:33:01.32] 'cause [00:33:01.68] sometimes it can be a little over our heads to be like, oh yeah, we're the [00:33:05.00] best. We're so tech savvy and whatever the fuck, we're so woke. Like, sometimes you're just dumb, [00:33:10.00] you know? And you need to hear that. But yeah, I feel like this [00:33:15.00] world, like, if you see, I feel like K-pop has a lot of influence too, since it's [00:33:20.00] like, you know, really blown up. Mhm. And a lot of K-pop people, [00:33:25.00] you know, have fire fits and it's really inspired the world to

[00:33:30.00] like really, you know, dress their, you know, be their best self through clothes. [00:33:35.00] Like I wish I could do that.

[00:33:37.50] **Speaker1:** Do you listen to like K-pop.

[00:33:38.76] **Speaker2:** I do, yes. You know. [00:33:40.00]

[00:33:40.80] **Speaker1:** You have any favorite bands?

[00:33:41.82] **Speaker2:** Oh my god BTS, do [00:33:45.00] you like BTS? Oh my [00:33:48.90] god! Stop lying. [00:33:49.50] Oh my God. I [00:33:50.00] [00:33:54.09] love BTS [00:33:54.33] it's [00:33:55.41] literally yo-my [00:33:55.00] bias is um, RM [00:33:58.59] he's the leader of the group. [00:34:00.00] He's a rapper, you know, he has really great fashion sense. I feel like it's mostly [00:34:05.00] baggy clothes, but sometimes when I'm just like, it's whatever, you know? Yeah, a lot of baggy clothes, streetwear, [00:34:10.00] you know? Yeah, yeah. But yeah, back to [00:34:14.79][...] [00:34:15.06] [00:34:15.00], you know.

[00:34:17.37] **Speaker1:** Do you feel [00:34:17.73] like, do y [00:34:18.06]ou get, like, inspired [00:34:20.00] by them too?

[00:34:21.87] **Speaker2:** Yeah. You know, sometimes [00:34:24.15] RM like, [00:34:25.05] [00:34:25.00] recommends books and I'm like, oh, you know, they look interesting sometimes. It inspired me to read [00:34:30.00] and buy a book and [00:34:31.62] that [00:34:31.77] I still need to read. Yeah. But [00:34:35.00] I feel like, yeah, you know, they have, like, good messages and like, their songs and stuff. They had to like this, [00:34:40.00] like whole series of like, Love Yourself albums. They were basically like, you know, [00:34:45.00] like, really appreciate yourself, you know, be your best self [00:34:50.00] through all these songs, you know, sending us love. And I was like, oh my God, such angels. [00:34:55.00] Yeah. But now they've gone off to the military. Ah, [00:35:00.00] I know it's so sad, but they're gonna come back. Yeah, I'm gonna go on tour. Yes. [00:35:05.00]

[00:35:07.53] **Speaker1:** Would you rather have [00:35:08.55] dreams..[...]. [00:35:08.79]

[00:35:12.27] **Speaker2:** In [00:35:10.00] English. Yeah. [00:35:15.00] [00:35:16.44] It-
It's [00:35:17.22] easy. Yeah. I've had, like, a dream [00:35:20.00] in Spanish. I feel like
it feels like a [00:35:23.70] novela. [00:35:24.42] Yeah. [00:35:25.00] I feel like it gets a
hundred times more dramaticized based on-Okay. [00:35:30.00] I had this dream, right?
I was, like, in my house, and I was on the couch watching TV, right? [00:35:35.00] And it
was on in Spanish, and my mom was talking to me and she was like, what are you
doing? And I was like, I'm just watching [00:35:40.00] TV. And she's like your boyfriend
came through the door and I'm like-I didn't know I had [00:35:45.00] a boyfriend in my
dream. I was like, my boyfriend? And then I see this fucking random man. [00:35:50.00]
I can only see his face. It was just like, kind of like a blur of a man goes-where
[00:35:55.00] the fuck do I have a boyfriend? So he just came in. He was like, s/,
[00:36:00.00] [00:36:00.63] corre conmigo. [00:36:01.77] And I was like, oh, and I was
watching. I [00:36:05.00] was pretty comfortable in my chair and my mom was like,
[00:36:07.50] no te vallas, s/, no vas hacer mi hija, [00:36:10.00] nunca mas.
[00:36:11.22] And I was like, okay, [00:36:12.51] oh. I was I [00:36:13.74]like, okay, cool,
right? [00:36:15.00] But I was like, oh, let me go with this man. So I was like, okay, my,
you know, I was like [00:36:19.47] bye ma, [00:36:19.89] you [00:36:20.00] know? And I
went and like, we were in this car, right? And we're like driving down the the highway.
[00:36:25.00] That's like by my house. And we were just playing music. And he was like,
I love you so much. Thank you for running away with [00:36:30.00] me. Right? Yeah, I
did go in there. And I was like, yeah, of course [00:36:35.00] he was still a blur, bro. I
don't know who this man is. Right. And then we crashed [00:36:40.00] and I was like ah,
and I, I couldn't well I've never been in a crash before, so I didn't-I [00:36:45.00] just like
it was just, it just went like black for me. Right. And then all of a sudden I just see him on
[00:36:50.00] the fucking ground, just. And I was like, oh my God. And I call
[00:36:55.00] my mom. And I was like, [00:36:55.89] mami, [00:36:56.19] can you pick
me up? And she was like, no, because [00:36:59.85] you [00:37:00.00] [00:37:00.00]
ran away with him and I was like, he died. She was like, what and I was like, yeah. A
[00:37:05.00]nd then she didn't pick me up, [00:37:06.78] bruh. [00:37:07.08] I just, I
woke up, it was bad, I [00:37:10.00] know. Oh, but yeah, I mean, yeah, in [00:37:13.89]
English. In English I'd [00:37:15.99] [00:37:15.00] rather have my dreams. More
understandable.

[00:37:19.80] **Speaker1:** So [00:37:20.00] last question. Tell me about a really good movie or TV show that you've seen. What [00:37:25.00] did you like about it?

[00:37:26.57] **Speaker2:** So I watched Cars. Yeah, it [00:37:30.00] was really cool. I watched this movie multiple times, but this time I really felt like I understood [00:37:35.00] the message of being humble. You know, cause [00:37:40.00] McQueen is not humble at all. In the beginning of the movie, he's all like, kachow. [00:37:45.00] And he gets flashed by his fans and he like, I don't know, he's like, he fires [00:37:50.00] his pit crew, or they abandon him cause he's like, I'm a one man show. And [00:37:55.00] he's like eating it up. And then he, you know, he jumps out of the fucking the... the screen [00:38:00.00] when they announce the winners beforehand. And he was like, he was disappointed, it was [00:38:05.00] a [00:38:05.18] tie [00:38:05.63] like, he's a rookie. He should be happy it's a tie. He tied with the best. But [00:38:10.00] no he thinks he's a hot shot and all that whatever. But yeah, I feel like [00:38:15.00] him going to Radiator Springs really helped him get grounded. You know, [00:38:20.00] be a car instead of being like this. Like, oh my God, I [00:38:25.00] can race faster than you. Cause literally you're gonna go out of style in like, a few years. [00:38:30.00] You're a car. They're just cranking them bitches out right in cars three. [00:38:35.00] He's he-I felt so bad for him. He was on the treadmill for old people. [00:38:40.00] He was like, on this fucking. He he-Oh, man. It's [00:38:45.00] so sad. Oh, but yeah. Cars. I feel like it's a really [00:38:50.00] deep movie for kids. Kids don't understand. I feel like I feel like they're like, oh my God, [00:38:54.95] McQueen. [00:38:56.51] [00:38:55.00] You know, they just love him all the way. But I feel like he was pretty annoying in the beginning. [00:39:00.00] He was just. He was just a douche. He was so bad, you know? What's the blue car's name? [00:39:05.00] His girlfriend Sally really humbled, that man. You know, [00:39:10.00] she saw. He saw that he was that she was like, you know, fine and doing in the town and, you know, [00:39:15.00] saw that she was like, you know, she was a hot shot. And she came here, you know, [00:39:19.58] settled [00:39:19.85] down. [00:39:20.00] And he was like, oh, I can do that same shit, you know. Oh, it was so nice. [00:39:25.00] Such a nice movie. Mhm.

[00:39:27.74] **Speaker1:** Thank you so much.

[00:39:28.67] **Speaker2:** Of course. [00:39:30.00]
